Chat Room – Day 1 Part 2

Hello, this is Mrs. Smith, Zipper's teacher. I know that sometimes things seem funny but a person's name should be respected.

But Zzzzzziiiiiippppppppppeeeerrrrr is such a funny name. Who are you, anyway?

Please be respectful, or I will remove you from the chat.

We're just saying his name. Besides, our teacher is right here and you're not our teacher.

Fine. we'll just take this over to Facebook, you can't do anything about it there!

See you there, ZZZiiiiippppppeeer.

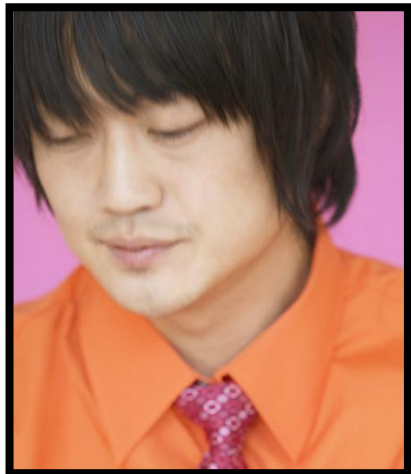

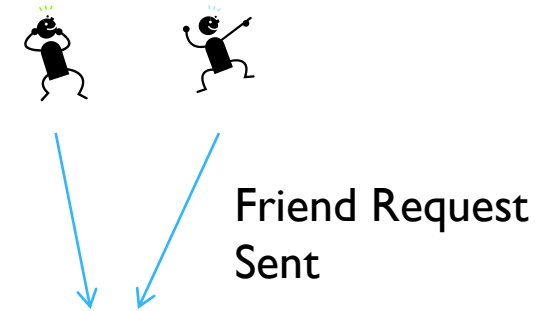

You are not to move to Facebook. Do not make fun of Zipper's name. This is not OK. You are banned from the chat.

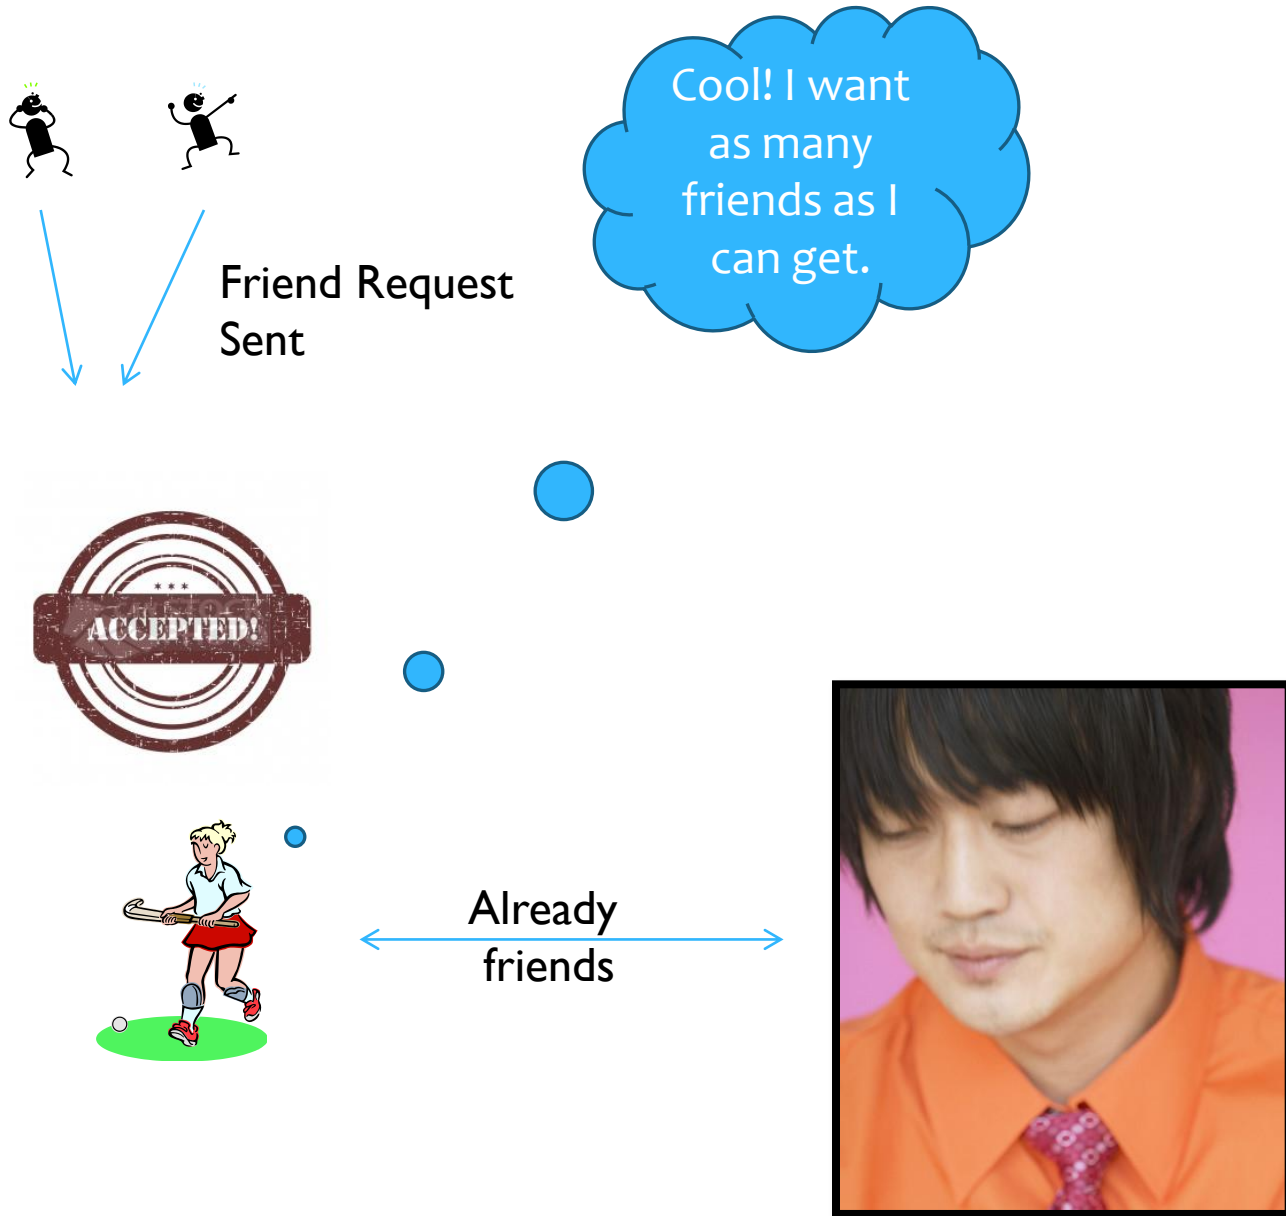

I'm Zipper's friend, that's not cool.
